## **2014 PASSENGER NUMBERS RANK AS FOURTH BUSIEST AT DULUTH INTERNATIONAL AIRPORT**

Duluth, MN – Duluth International Airport (DLH) officials announced today that 310,893 passengers flew in and out of the airport in 2014. This is only a 1% decrease over year end numbers from 2013 which saw the third busiest passenger year in history. “This passenger traffic makes four strong years in a row of passenger numbers at DLH,” said Natalie Peterson, Director of Communications and Marketing.

“These numbers continue to prove that demand for flights in and out of Duluth is holding strong,” explains Duluth Airport Authority Executive Director, Tom Werner. “Our region is vibrant with growth and opportunity and we are thankful to be a critical part of it. We greatly appreciate all of our corporate and leisure travelers that support DLH and hope that all travelers in the region keep DLH as a consideration for their travel needs.”

2014 was the year of the Customer at DLH with the inclusion of a number of amenities that upgrade the travel experience out of DLH. We opened the new parking garage and skywalk that provides convenience for our visitors. The garage also offers an enclosed corporate parking option available for purchase to our frequent travelers. We have changed our restaurant and bar to the Arrowhead Tap House which offers a larger menu, a full bar which includes local craft beers, landside service, merchandise and gifts that focus on local flavor. We also added

a new loyalty rewards program, Thanks Again, and a new interactive kiosk for our visitors to be able to connect to the region for items like lodging, restaurants, activities, shopping and events.
