Project Progress and Next Steps

Virtual Public Workshop

—February 17, 2021 at 6 p.m.

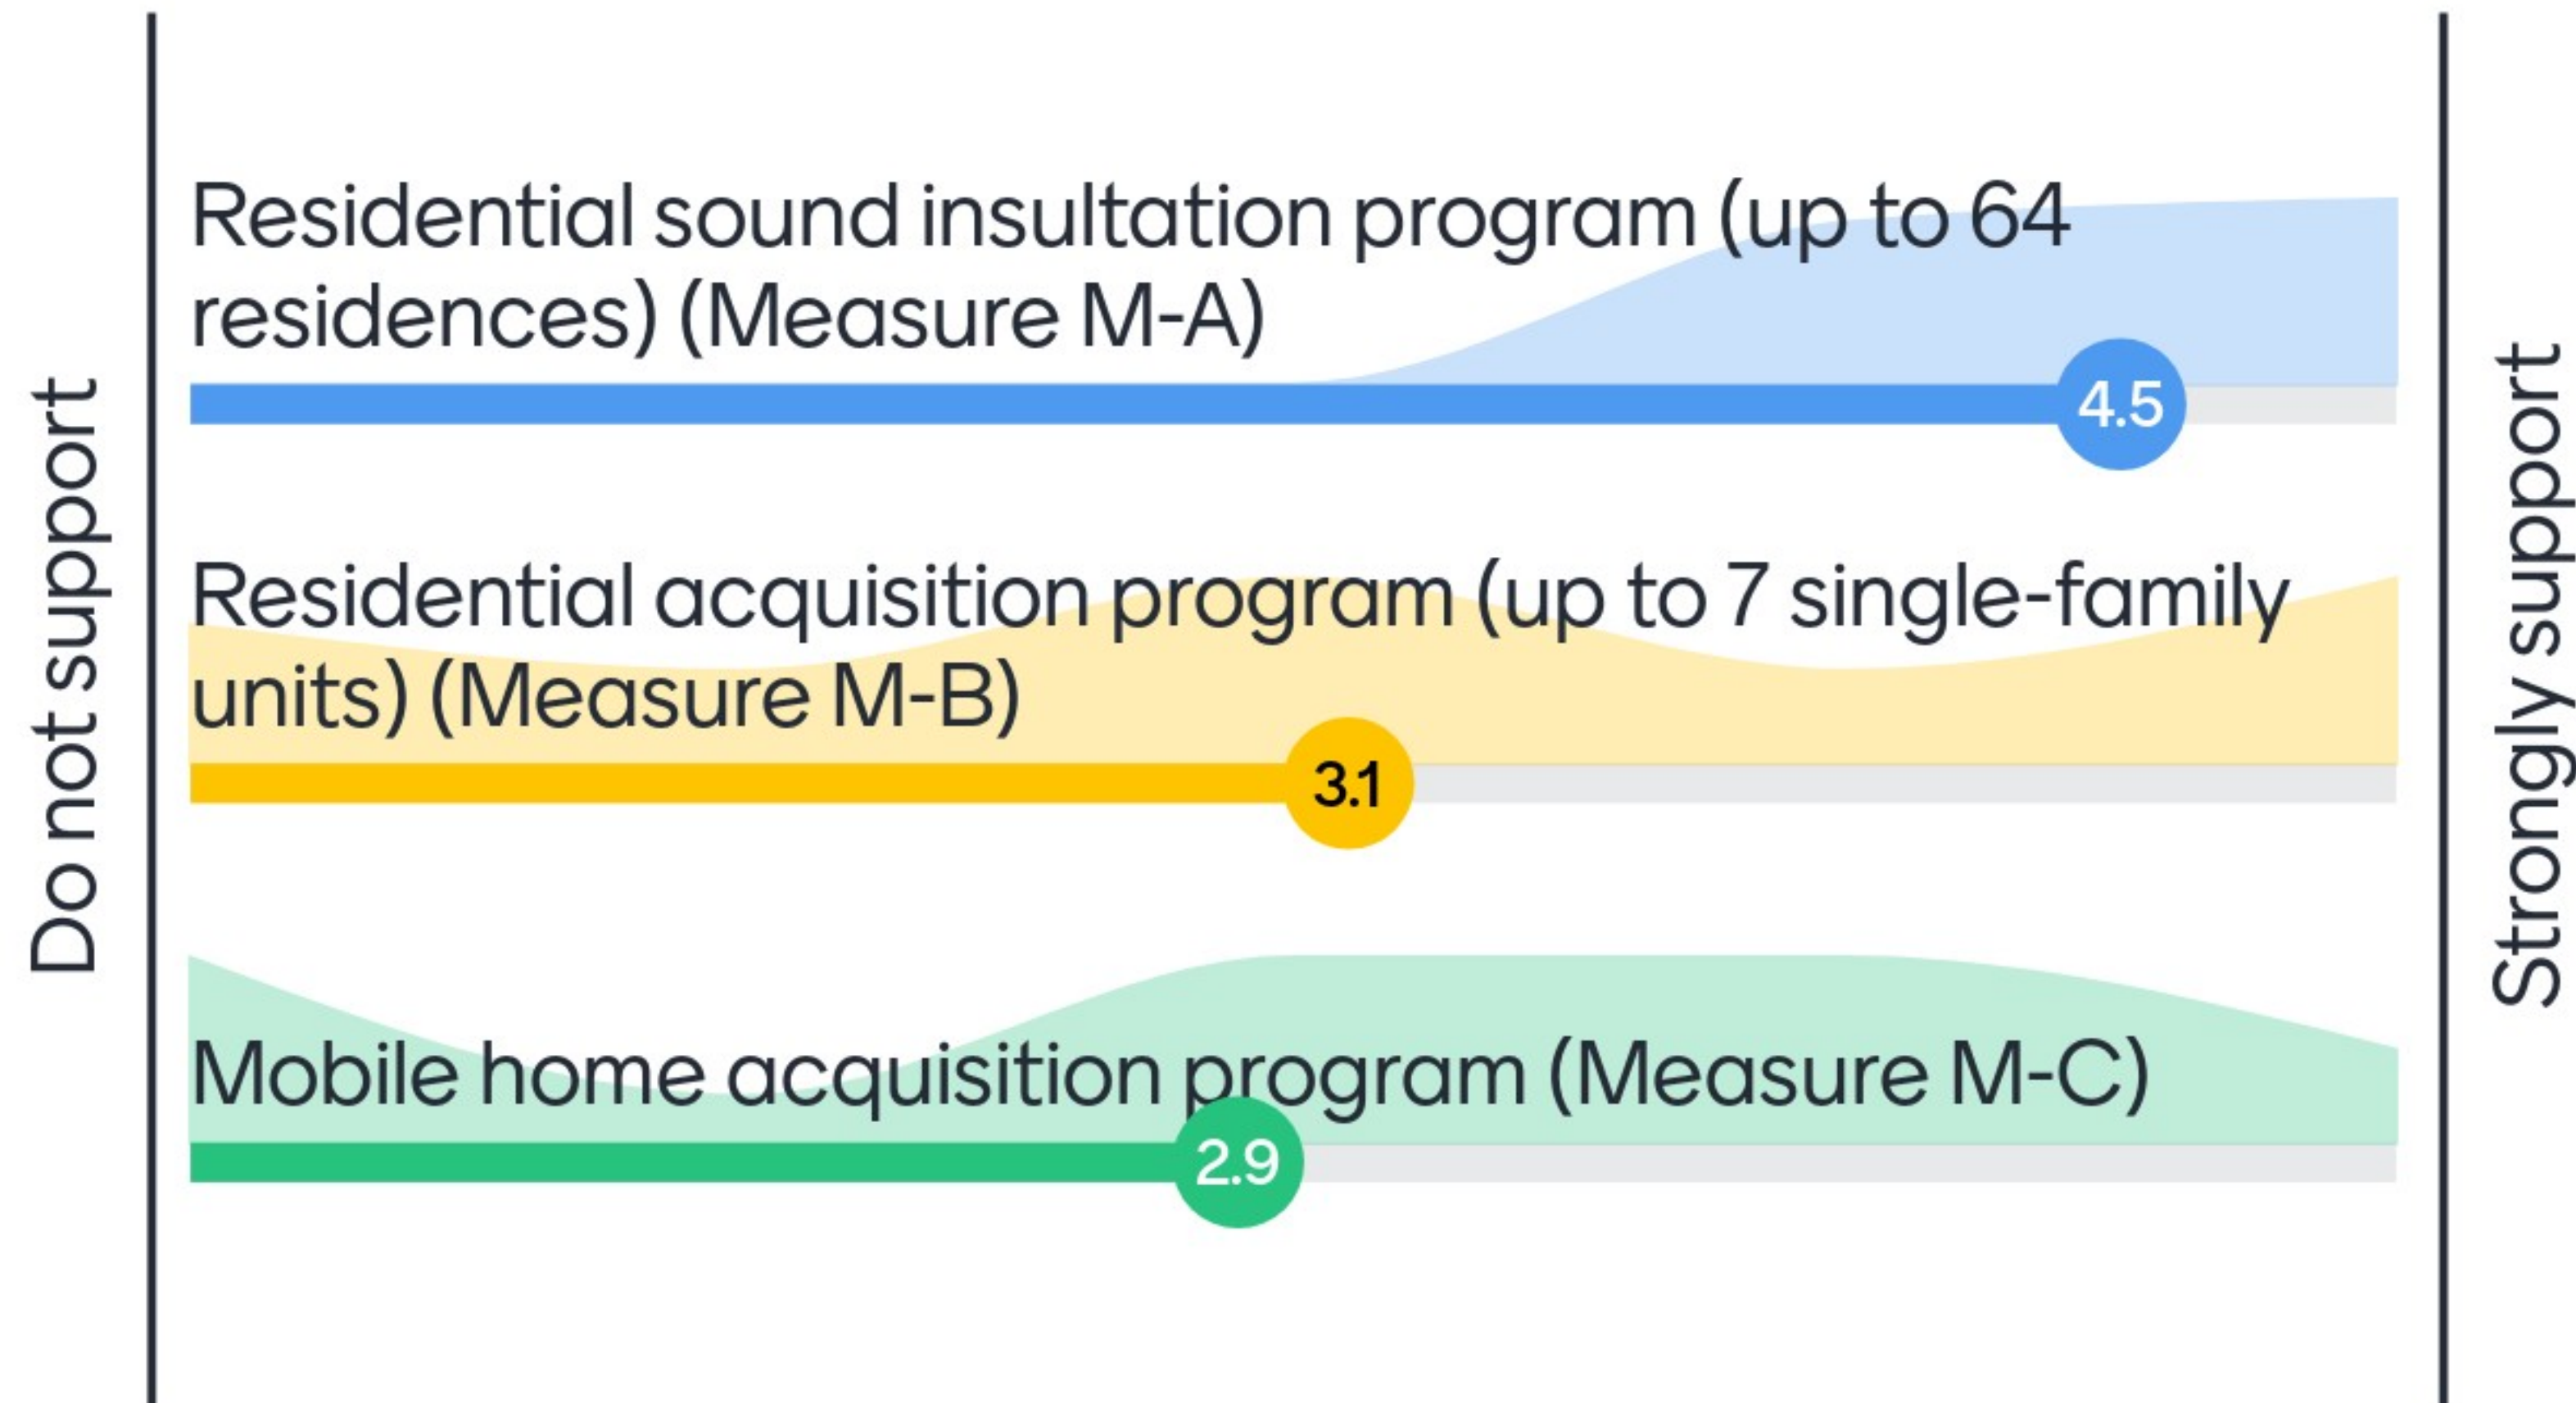

—The Part 150 Study Public Information Workshop will:

1. Present an overview of the Part 150 Study process
2. Offer Opportunities to share your comments and participate in the study
3. Provide information on existing and future noise contours and associated housing and population impacts
4. Provide information on the proposed Noise Compatibility Program (NCP) recommendations
5. Next steps in the Part 150 Study process

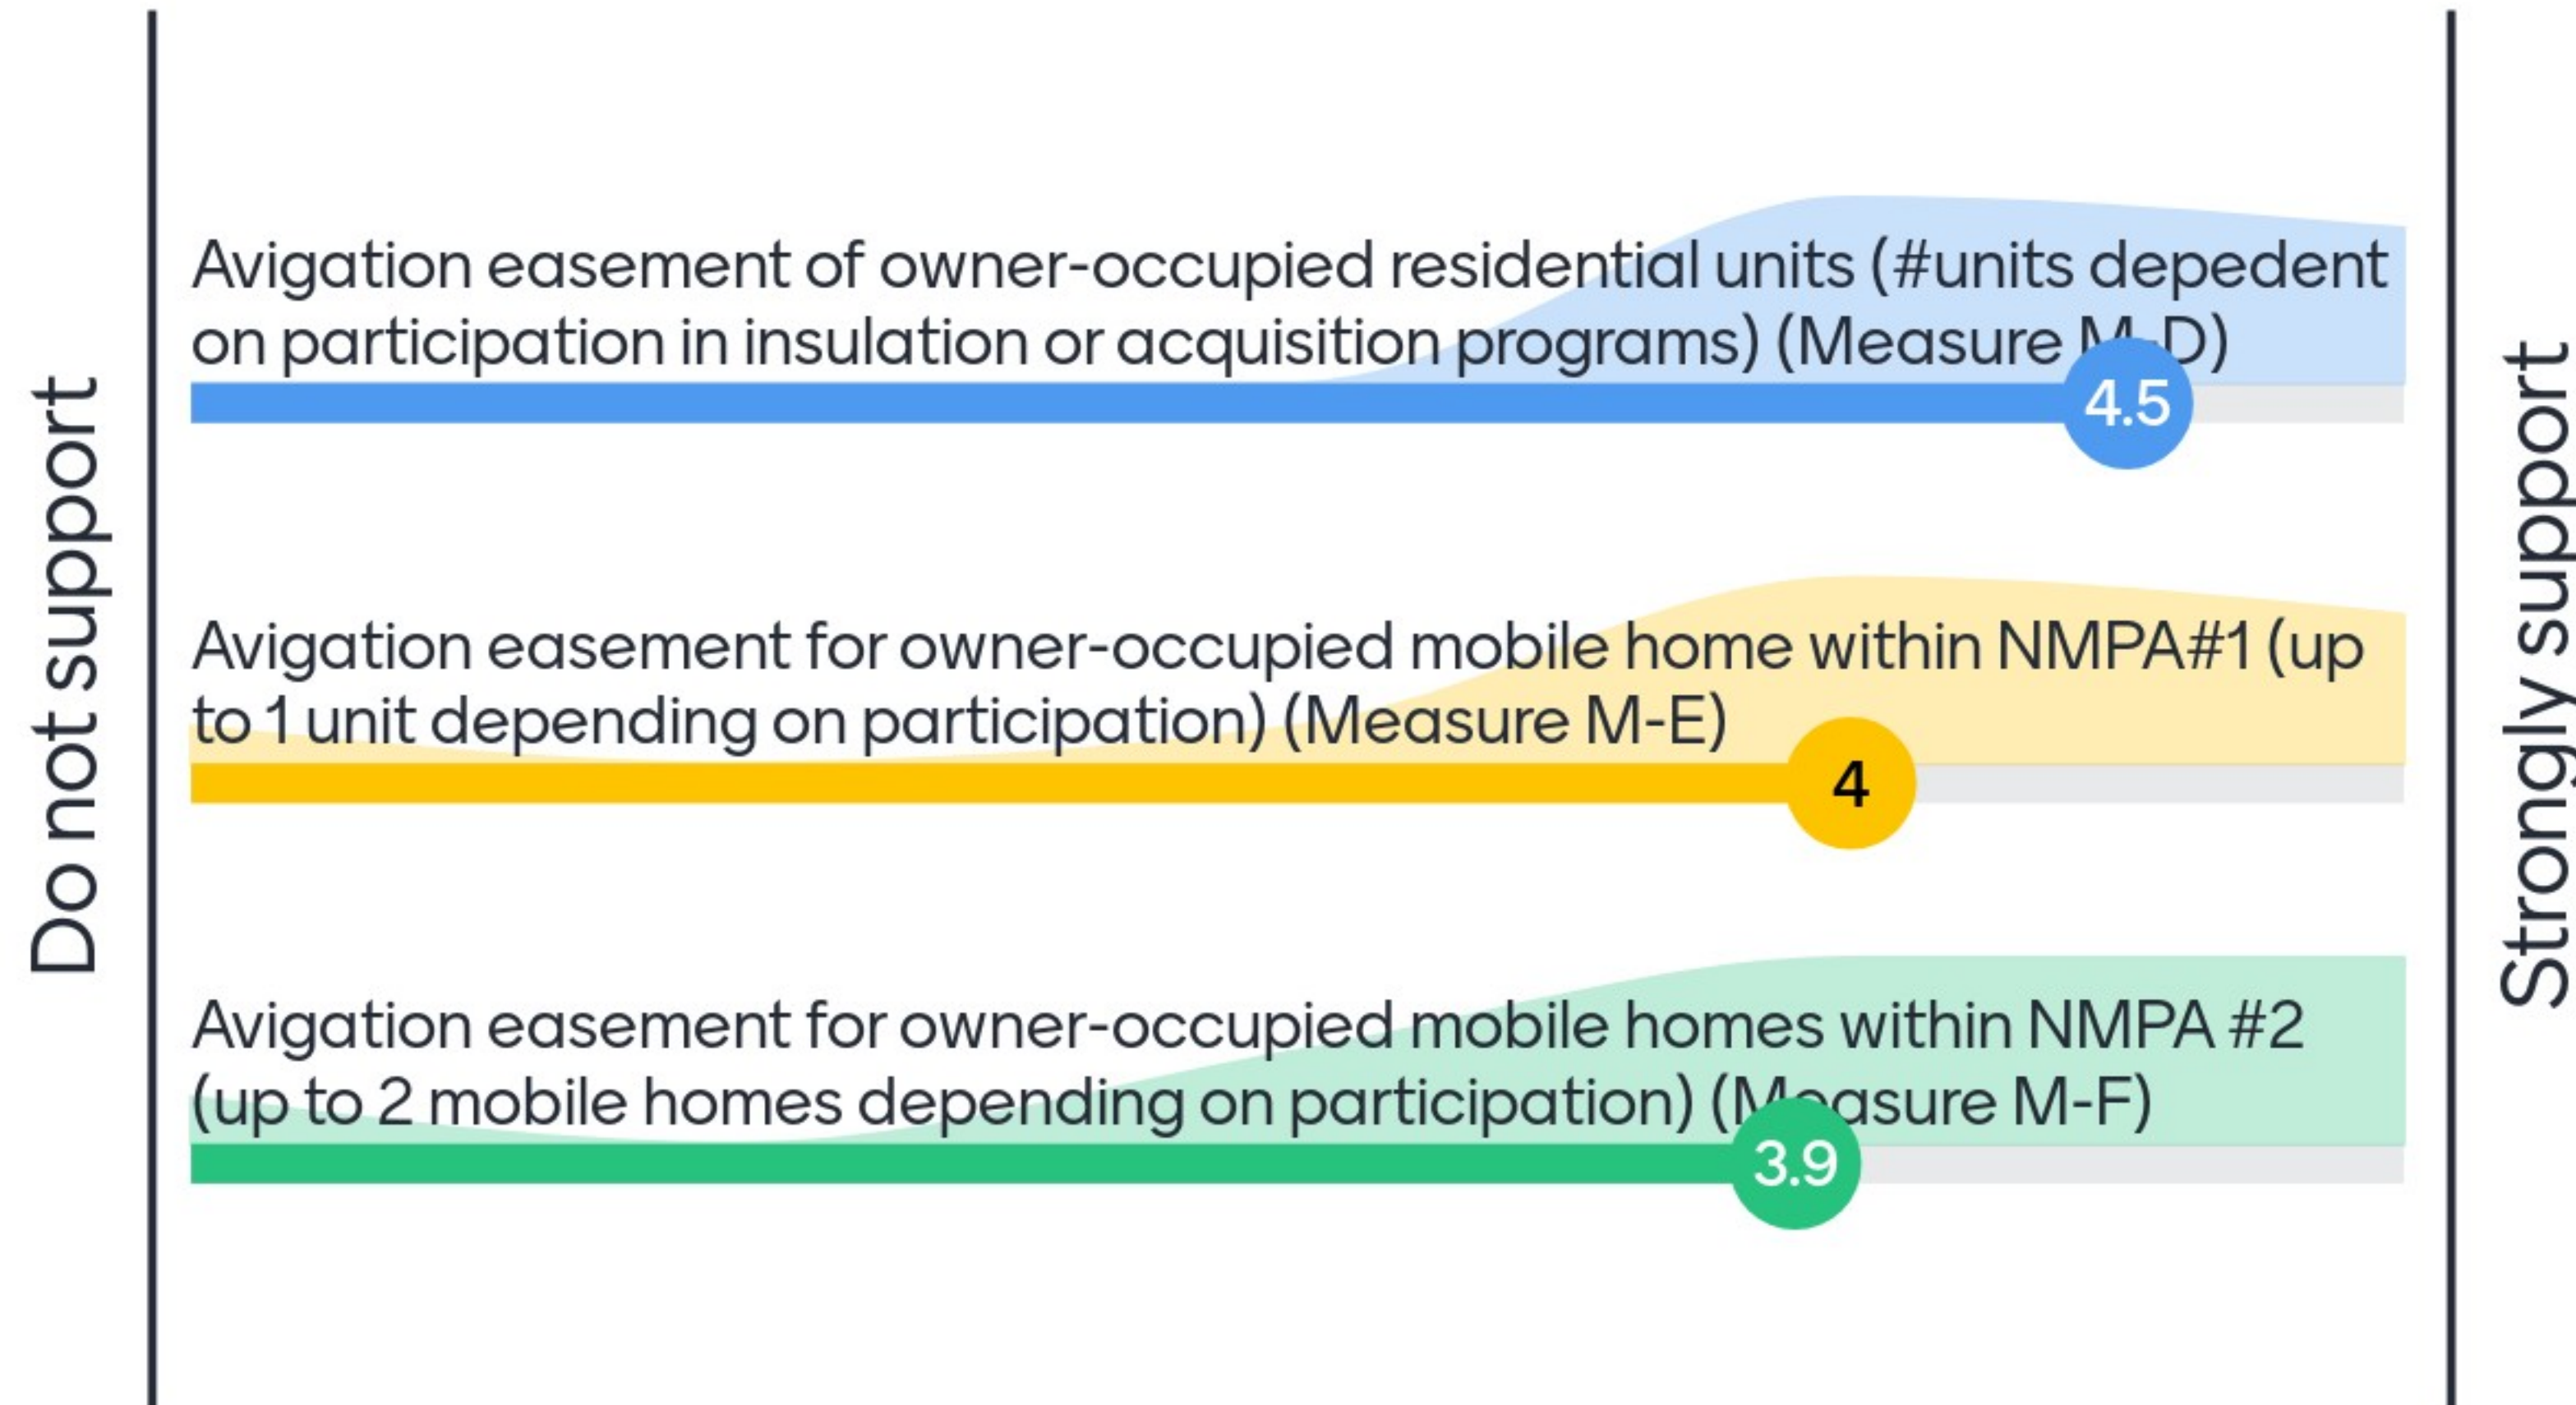

Register at link on project website: [Part 150 Noise Study - Duluth International Airport \(duluthairport.com\)](https://duluthairport.com/part150noisestudy)

A recording of the presentation and meeting summary will be made available on the project website following the meeting.
