SUN COUNTRY DIRECT FLIGHTS ARE NOW BOOKING

(Duluth, MN) People can now book Sun Country direct flights from The Duluth International Airport to Phoenix, Arizona, or Fort Myers, Florida. Seats are filling up for the winter flights that begin in December.

Here are the complete details regarding Sun Country Airlines' seasonal air service:

- Sun Country will offer seasonal air service direct from Duluth to Phoenix, Arizona, and Fort Myers, Florida.
- Tickets for this seasonal air service are on sale now.
- **Flights begin on December 16, 2022, and continue through April 24th, 2023.**
- Flights operate twice weekly, on Mondays and Fridays.
- **Service to Phoenix** – outbound flights from Duluth to Phoenix will run nonstop. Return flights from Phoenix to Duluth will include a stop in Rochester between December 16 and February 20, 2023. Nonstop return flights from Phoenix to Duluth will operate between February 24 and April 24, 2023.

This air service allows sun-seeking local travelers to fly south this winter and next spring. With competitive, low rates to this pair of warm-weather destinations full of incredible attractions and experiences, there are so many great reasons to start planning your winter getaway.

“These flights fill up quickly,” says Natalie Peterson, Director of Communications & Marketing for the Duluth Airport Authority. “Locals need warm weather getaways during the cold months and Sun Country direct flights make it that much more convenient.”

About Duluth International Airport

The new state-of-the-art passenger terminal at the Duluth International Airport opened for business on January 14, 2013. Currently, United Airlines offers nonstop flights to Chicago and Delta offers nonstop flights to Minneapolis/St. Paul. Effective as of December 16, Sun Country will be offering nonstop flights to Fort Myers and Phoenix. We are committed to providing our customers with superior services in a safe, secure and professional environment incorporating mitigation strategies and best practices as recommended by the CDC.
